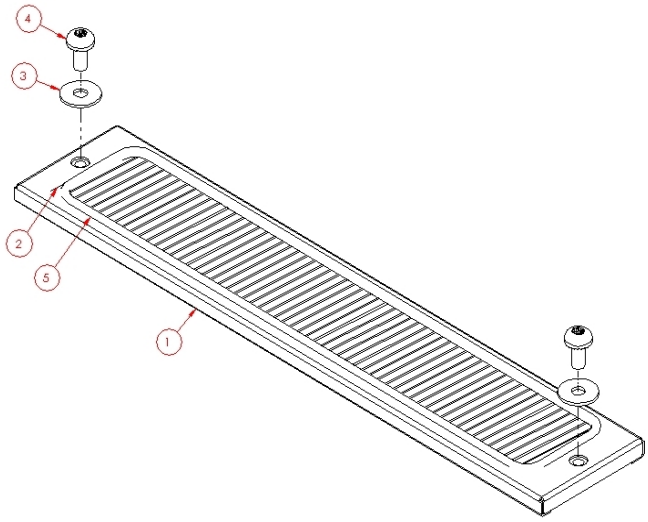
Cable Entry Brush Strip



Product Information

The Cable entry with brush strips allows cables to pass, but blocks air and contaminants. These are fitted in the any top panels, or in the 800 wide side channel covers.

Features

- Prevent air leakage between cable and cutout
- Block contaminants
- RoHS compliant
- Conforms to ASTM D610-01 and ASTM B117 (500 hours salt spray test)

Materials/Finish

- High grade cold rolled steel 0.9 mm thickness.
- Powder coat finish preceded by 5 stage iron phosphate pre treatment.
- Standard color is low gloss black. Special colors upon request.
